

Dave Martin & The Casino Cats

It's hard to compare Dave Martin to anyone but waiter if you please.. "Two shots of Italian Dean Martin croon, a slice of Frank Sinatra swing, blend that together with a healthy dash of Buble and you have it"!

DAVE MARTIN – SWING SOLO

With his blend of smooth velvety vocals, effortless performance ability, and natural warm charisma, Dave Martin offers a captivating and incomparable tribute to some of the greatest songs around. His vast repertoire of music is arguably the most versatile and dynamic in the business. His ability to read any crowd provides the 'right' level of entertainment for any style of event.

With over a decade of experience, Dave has enjoyed performing for many top clients, from *IN!* Magazine to the Ulster Rugby Club. He has become well respected on the local music scene and performed regularly for many public venues, including Grand Opera House, Cafe Vaudeville, Northern Whig, Bert's Jazz Bar, Merchant Hotel. He's even been lucky enough to sing with Michael Buble in his hotel bar!

Dave has spent years crafting the perfect set of music designed to appeal the widest audience, and has developed a keen instinct for which songs work better than others.

As he performs such a vast repertoire of music, his song lists are split into different sections to make it easier to show what he offers – **Swing, 50's Rock & Roll, Acoustic, Modern, & Christmas**. Any of his songs can be performed either with **Dave's Solo** or with his **band**. He encourages his clients to get involved and tailor their music exactly to suit the style of their event.

Whether you require a smooth background Jazz/Acoustic set for an afternoon reception, a classic Swing set for a stylish function, perhaps a lively, dance focussed mix of 1950's Rock & Roll and modern chart music for an evening reception, or his cheerful Christmas set for a festive party - Dave promises to give your guests a performance they are sure to remember.

DAVE MARTIN & THE CASINO CATS SWING BAND

The Casino Cats Swing Band has been performing throughout Ireland for many years. They offer premium *live music* for weddings, corporate functions, public venues, festivals, and private events. They're available from smooth **Acoustic/Jazz Trio**, their **popular 5-piece Band** to dynamic **8-piece Swing Band**.

They pride themselves on offering a "cooler than average" band, which is never cheesy, *always completely live*, never the same performance twice. They are seasoned musicians, each with over a decade of performance experience. Some are members of the Ulster Orchestra, the Ulster University Big Band. They've supported, recorded and performed with artists such as Van Morrison, Ray Charles, Bob Dylan, Tom Jones, and Snow Patrol.

As the band performs such a vast repertoire of music, their song lists are split into different sections to make it easier to show what they offer – **Swing, 50's Rock & Roll, Acoustic, Modern, & Christmas**. Any of their songs can be performed either with **the band** or with **Dave's Solo**. They encourage their clients to get involved and tailor their music exactly to suit the style of their event.

Whether you require a smooth background Jazz/Acoustic set for an afternoon reception, a classic Swing set for a stylish function, perhaps a lively, dance focussed mix of 1950's Rock & Roll and modern chart music for an evening reception, or his cheerful Christmas set for a festive party - Dave promises to give your guests a performance they are sure to remember.
