

The Hootenannys!

The Hootenannys are a vibrant combo of talented and experienced musicians. With every member of the band a lead vocalist, they share the delivery of an up-tempo set with a big sound. The guys can pull out all kinds of well known tunes to get up and move to. Their set ranges from Elvis to Roy Orbison, James Brown to Van Morrison, The Rolling Stones to U2 and from Maroon 5 to the Scissor Sisters.

Although primarily a tight 3-Piece unit, The Hootenannys can increase in numbers to a 4,5,6 or 7-Piece on request. It all depends on the size of the venue or the event.

We've crafted a solid professional reputation, working together in the live circuit as well as on various TV shows. In addition to our wedding commitments, you can catch us live at The King's Head, Chelsea Wine Bar & Cutter's Wharf.

The Hootenannys are guaranteed to be the life and soul of any party!
